

## WYCD's Michelle Metcalf (Friday Night Idol MC)

I began my career in the wacky world of radio, doing mornings in Port Huron. That's actually where I grew up and where my family lives. I love that town on beautiful Lake Huron. I went to **Michigan State University** and received my degree in Telecommunications, Media Arts. Go Green! While at **MSU**, I did a lot of theater and even acted in a small campus television show. I moved back home after graduation in 2003, and started working part time in radio. Before I knew it, I was the full time morning show co-host for three years. It was a lot of fun!

Then everything changed with one little blind date. It was a Friday the 13th, and pouring rain! We were set to meet in Detroit. We were going to go to the **WYCD Downtown Hoedown**. To tell you the truth, that's the only reason I said yes (ha, ha), I wanted to go to the Hoedown and had never been before. To say the least we hit it off. That November, there was a birthday cake with "Will You Marry Me" written on it and a ring box embedded in the frosting. May, one year later to the day, we were married! Bad news though - I had to miss the Hoedown to go on my honeymoon ; )

So I moved from the little Po Ho to the Big City to live with my new hubby. **99.5 WYCD** graciously made me a new home and I love it! I love being a part of **Detroit's Best Country** and all the wonderful new friends that I am making in my new town! **99.5 WYCD** has huge things in store and I am so excited to be a part of it all. And you better believe I'll be at every Hoedown - celebrating my anniversary and having a rocking good time!
